

IN REGARDS TO COVID-19:

**UNTIL FURTHER NOTICE, THE OFFICE
WILL BE CLOSED TO THE PUBLIC,
EXCEPT BY APPOINTMENT ONLY**

**Mausoleums and Indoor Niches will be
immediately closed to visitation.**

We remain deeply committed to the health and well-being of our community, our guests and our associates.

In response to this developing public health concern, we have taken certain precautionary measures to help mitigate the spread of the virus by:

- Conducting enhanced cleaning procedures, while increasing the frequency of sanitizing, in line with recommendations from the Public Health Agency of Canada.
- Offering phone and email arrangements to meet the needs of families and guests.
- Adjusting services and number of guest in attendance according to the directives of local and provincial authorities.

Our cemeteries remain open to families wishing to visit a loved one's burial lot.

For lot interments and crypt entombments, casketed remains will be placed on a cemetery device or carriage, committal prayers will be completed, if requested, and thereafter patrons will be invited to leave - allowing our staff to complete the interment or burial.

**All attendees will be required to adhere to the Safe Distance Protocol
maintaining at least 6 feet from our staff at all times**
